Occ: Record Assistant, R/o. D.No.26/555,
Postal Colony, nellore, nellore District and another.

… Petitioners

And

The District Collector,

Nellore District at Nellore and others. … Respondents

ORDER:

The 1st petitioner is working as Record Assistant in D.K. Government College for Women at Nellore and the 2nd petitioner is working as Typist in the same College.

The District Collector, Nellore allotted the quarters 13-P and 14-P situated at D.No.26/555 and 26/571-1, Postal Colony, Nellore District respectively to the petitioners vide proceedings dated 07-07-1983 and 24-02-1990.

It is stated that the petitioners are in occupation of the said Government quarters and they have made applications dated 05-09-2002 seeking permission to purchase the said residential quarters on Hire Purchase System, as the said quarters were constructed under Hire Purchase System.

But their representations dated 05-09-2002 have not been considered and

disposed of. It is also stated that as per the G.O.Ms. No.249 dated 22-12-1961 Government accorded administrative sanction for the construction of the houses for sale on Hire Purchase System in the districts of Andhra area under Middle Income Group Housing Scheme subject to the condition that the expenditure on the above works during the current year should not exceed the allocations of five lakhs made to the Chief Engineer (Buildings and Public Health).

Though it is stated that the said residential quarters were constructed on Hire Purchase System, there is no material produced by the petitioners as to whether the quarters occupied by them are the residential quarters constructed under Hire Purchase System. Admittedly, the said quarters belong to the Government and in the absence of any material to show that the said quarters have been constructed on Hire Purchase System and as no scheme has been placed in support of the construction of the said quarters in question, I am of the opinion that the petitioners are not entitled for any relief as sought for in this writ petition and the same is liable to be dismissed.

The Writ Petition is accordingly dismissed. No order as to costs.
